The Political Economy of Capital Cities

Heike Mayer, University of Bern, Switzerland, Fritz Sager, University of Bern, Switzerland, David Kaufmann, University of Bern, Switzerland and Martin Warland, University of Bern, Switzerland

Series: Regions and Cities

Capital cities that are not the dominant economic centres of their nations – so-called ‘secondary capital cities’ (SCCs) – tend to be overlooked in the fields of economic geography and political science. The Political Economy of Capital Cities aims to address this gap by presenting the dynamics that influence policy and economic development in four in-depth case studies examining the SCCs of Bern, Ottawa, The Hague and Washington, D.C.
